The Resource Factory / AMSTT
4 Murray Street
Woodbrook
Port of Spain

2006
Graphic Designer

As Graphic Designer for this company my duties were to manage graphic design projects and also conceptualize new designs and promotional ideas for print, radio, television and the new media. I also conduct graphic design services for AMSTT (Advertising and Marketing Services - Trinidad and Tobago) which is a partner company of The Resource Factory

Sunny Group of Companies
46a Independence Square
Port of Spain

2004 - 2006
Graphic Designer

As Graphic Designer for this company my duties were to conceptualize new designs and promotional ideas for print and the new media. I was also given the task of designing layout of websites for small businesses that were affiliated with the company.
